The Setting

The setting is a critical element of narrative writing. The setting is a place in time. For this pre-writing activity, write about the setting including some of the following: location, time of year, time of day, mood, what can be heard and seen and what type of weather is happening. Be very descriptive.

	~
Describe the setting for a haunted house story:	
2 Describe the setting for a story about a magical wizard:	
Section the setting for a story about a magnetic wizara.	
	
	
Describe the setting or a story about a cross alient	
3 Describe the setting or a story about a space alien:
